

IPZV / FEIF Open Breeders' Seminar

Laatzen (near Hannover), Germany, December 6-7, 2019

On behalf of IPZV, we would like to invite you to the IPZV / FEIF Open breeders' seminar, to be organised from December 6 – 7 in Laatzen (near Hannover), Germany. The seminar will start on Friday, at 14:00, scheduled end of the seminar is Saturday at 14:00. The meeting will take place during the biggest European fair for horse riding, hunting, fishing and nature "Horse and Hunting" (Hannover).

This meeting is open for breeders, riders, judges, officials and persons interested in Icelandic horse breeding.

Intention of the meeting:

- Strengthening international cooperation in the FEIF breeding sector
- Promotion of FEIF objectives in the breeding sector through an open exchange of all participants with FEIF Breeding Committee members
- To improve the flow of information between those responsible for the FEIF breeding area and breeders, riders and owners of horses
- Achieving international, joint activities for the promotion of all interests around the breeding of Icelandic horses

Registration

The seminar requires a **registration before November 17, 2019**. Please use the following link (please note that rooms at H4 Hotel must be booked before **October 30th, 2019**):

http://www.ipzv.de/llkalender/kal_anmeldung1.cfm?id=16585
