

## Nomination of Best FEIF Instructor of the year 2021

On behalf of the members and the board of the Danish Association of Icelandic Horses, we are pleased to nominate Pernille Lyager Møller as Best FEIF Instructor 2021.  
A short description of the nominee:

Pernille Lyager Møller, who is 31 years old, was educated at the Hólar University in 2013 and is FEIF Instructor Level 3. Pernille remained in Iceland for some years, where she participated in competitions and assessments with great success, worked for top Icelandic riders as well as running her own training stable.

After returning to Denmark Pernille has settled in Sognstrup, where she trains horses and teaches.

The nomination is based on Pernille Lyager Møller's extraordinary work as an instructor and coach for many riding groups in Denmark.

Pernille has an outstanding ability for empathy and educational understanding of horses and their gaits and welfare as well as a great capacity for understanding riders.

This combination gives her the ability to coach each horse and rider, whether they are competition riders, leisure riders or the more unsure riders with her full attention and commitment.

Pernille can motivate both horse and rider in developing their abilities to the fullest and is a very important sparring partner at the competitions.

Pernille is also a very fine speaker at educational horse and rider seminars.

It is with great pleasure that we nominate Pernille Lyager Møller

Best regards

The Danish Association of Icelandic Horses
